#### (Camp Activities)

At our inclusive camp, you'll have plenty of chances to make new friends, share your culture, and take part in exciting activities. One of the highlights will be the National Nights, where you can present your country, your culture, and a bit about yourself and your family – in German, of course! Feel free to bring a small souvenir to share with others.

We'll explore the Oberhof Sports Facilities, try biathlon, sports shooting, and even have a summer snowball fight. You'll also visit Hainich National Park with a ranger to learn about the local wildlife and plants. Remember to pack your hiking boots, rainwear, and sun protection!

Other adventures include visiting Wartburg Castle, followed by a youth club BBQ, testing fire-fighting tech at the youth fire department, and a rock climbing day. There's also a hike to a water reservoir and an old sawmill, plus fun swimming trips—don't forget your swimwear and sun hat.

Throughout the camp, there's plenty of time to relax and chat.

If you have specific needs, just let us know – we're happy to accommodate people with disabilities. We can't wait to see you there and create unforgettable memories together!

We will explore the beautiful cities of Cologne, Bonn, and Koblenz along the Rhine River! You'll also discover the nature and culture of South-Westphalia and the Westerwald. Highlights include the Cologne Cathedral, Phantasialand theme park, the German Aerospace Centre, Eltz Castle, and a boat trip along the Rhine.

Your camp stay will be at the Freusburg Youth Hostel near Siegen, an old castle offering a mix of medieval history and modern comfort. Most travel will be by public transportation, so participants will need to buy the Deutschland-Ticket (58€/month in 2025). We'll help you with instructions for purchasing the ticket a few weeks before the camp. The ticket is valid for the whole of July, which is perfect if you arrive early or stay later!

Before the camp, you'll need to prepare a 15-minute presentation about your home country and culture. This is a great chance to share your story with fellow campers and learn about others. Host families come from the South-Westphalia and Westerwald areas, giving you a true taste of local life. Get ready for an unforgettable experience filled with adventure, culture, and new friendships!

The International Youth Forum 2025 will explore the transformation of energy-intensive industries like coal mining and steel production into climate-neutral sectors. Focused on sustainability, the forum will cover topics such as hydrogen research, digital transformation, climate action, and the transition to greener cities.

The Rhein-Ruhr region, once known for high unemployment and industrial challenges, is now reinventing itself. With over 15 million residents, the region offers a unique example of overcoming the negative effects of industrialization, including health issues and poor working conditions, through sustainability and innovation.

Germany is making significant progress toward the UN's 2030 Agenda and the Sustainable Development Goals (SDGs), but there's still work to be done in areas like Clean Energy, Climate Action, and Sustainable Cities. The Rhine-Ruhr region's transformation is a model for many countries facing similar challenges due to climate change.

To Do for Participants: As part of the forum, students will present on their countries' industries, social security systems, and labor laws, linking these topics to the SDGs like Gender Equality, Decent Work, and Climate Action.

Note: On the weekend of 9th/10th August 2025, students will switch accommodations as part of the program's agenda.

The international Lions Youth Forum 2025 is sponsored by the Lions Foundation Germany and the districts 111-RN, 111-RS, 111-WL and 111-WR.

Welcome to our international youth camp in the south-eastern part of Norway, "Camp Imagine Peace".

The theme is "Peace, culture and environment".

Download this information in the attachment (brochure) at the end of this article.

Camp Imagine Peace started in 2011 after the terror attack at Utøya. This is one of the interesting sites we will visit during the camp. The students at the ongoing camp in Norway at that point really wanted to help. They showed compassion, care and love for all of these people, these strangers from another country, and most importantly, they showed us that we are all equal humans no matter where we originate from.

## (CAMP NAME) **Lions Camp Beitostølen,**

The purpose of our camp is to make friends across the borders, across religions, political views and different upbringings. It's to help the youth - the future – to understand that we cannot all be branded as a person by the things we might identify ourselves with, but by the heart and soul inside, as an individual.

We visit sightings in Norway/Østfold/Akershus that have helped our country to where we are today, parts of Norway's everyday life and culture. This means there will be both outdoor activities and guided tours at historic sights.

At the end of the camp the students will perform in "The Final Show" for the host families in which the students are free to show something from their own country, or another talent they have. We encourage student to bring an instrument or check if their instrument might be available at the camp.
