LIONS 300B2 YCE CAMP

Content

- THE REPRESENTATIVE SPOTS IN TAIWAN
- INTINERARY OF 2025 YCE TAIWAN CAMP

Taiwan is a charming Island in Asia. Because Taiwan was formed by the pushing of tectonic plates, it has 268 mountains over 3000 meters tall.

Due to the special terrain, Taiwan is full of different amazing attractions. Additionally, modern cities and various food and fruit are also our features.

That's take a look!

Taipei 101

Taipei 101 is the landmark of capital city in Taiwan. Having about 510 meters high, it was once the tallest building in the world. You can overlook the view of whole Taipei city on almost the top of Taipei 101 !

Sky Lanterns

Releasing the sky lantern with your wishes into the sky is a beautiful traditional culture in Taiwan. Come to enjoy the magnificent scenery!

Alishan

The sunrise here is famous and representative in Taiwan and abroad. In addition, while taking the Alishan Forest Train, you will be surprised at the charming scenery along the railway!

Night Market

Night market is your best choice to try lots of different special street food in Taiwan. Watch out! You might lose yourself in mountains of tasty food!
